

Lubricants for Passenger Cars

Quality counts. That's why BMW relies on FUCHS lubricants. As one of the leading factory fill specialists we supply the original quality. Today and tomorrow.

Products	Features	Specifications/ Approvals
Engine Oils		
TITAN GT1 SAE 5W-30	Premium motor oil for modern passenger cars and light commercial vehicles with or without extended service intervals. Specially developed for BMW vehicles with exhaust after treatment and turbocharger. Optimum cold starting, lower oil consumption and minimized exhaust emissions.	BMW LONGLIFE-04
TITAN Supersyn SAE 0W-30	Ultra High Performance, extreme fuel-economy oil for a variety of vehicles with or without extended service intervals. Excellent cold starting and lower oil consumption.	BMW LONGLIFE-01
TITAN Supersyn LONGLIFE SAE 5W-30	Ultra High Performance, extreme fuel-economy oil for BMW vehicles. Specially developed for BMW extended service intervals. Optimum cold starting and lower oil consumption.	BMW LONGLIFE-01
TITAN Supersyn SAE 5W-30	Ultra High Performance, extreme fuel-economy oil for a variety of vehicles with or without extended service intervals. Optimum cold starting and lower oil consumption.	BMW LONGLIFE-98
TITAN Supersyn SAE 5W-40	Ultra High Performance, fuel-economy oil for a variety of vehicles with or without extended service intervals. Optimum cold starting and lower oil consumption.	BMW LONGLIFE-98
Gear Oils		
TITAN SINTOFLUID SAE 75W-80	Synthetic manual transmission fluid for passenger cars. Offering good gearbox efficiency. Good cold start behaviour. Suitable as fill for life fluid according to manufacturer.	API GL-5
TITAN SINTOPOID SAE 75W-90	Synthetic axle fluid for passenger cars. Offering good gearbox efficiency suitable for high-offset hypoid drives. Good cold start behaviour. Suitable as fill for life fluid according to manufacturer.	API GL-5
TITAN SINTOPOID LS SAE 75W-140	Fully-synthetic, high-performance gear oil for axle and transfer gearbox. Offers best cold start behaviour. Suitable for axle and transfer gearbox with and without limited slip differential.	API GL-5
Automatic Transmission Fluids (ATF)		
TITAN ATF 6000 SL	Latest synthetic ATF offering maximum performance in passenger car applications such as automatic transmissions with torque converters or wet clutches as well as power steering systems. Formulation is licensed according to DEXRON VI and downwards compatible to any former DEXRON-specification.	DEXRON VI
TITAN ATF 4000	Multifunctional ATF for use in automatic transmissions as well as other ATF applications. Licensed according to DEXRON III (H). Improved low-temperature shifting compared to DEXRON II.	DEXRON III (H)
TITAN ATF 3353	Multifunctional DEXRON III-Generation-ATF for automatic transmissions as well as any other ATF applications. Offers fuel-efficiency potential.	

Lubricants for Passenger Cars

Products	Features	Specifications/ Approvals
Power Steering Oil		
TITAN ATF 3000	Universal DEXRON II (D) ATF for all automatic transmissions in commercial vehicles, machinery and passenger cars according to manufacturer's documentation.	
Central Hydraulic Fluid		
TITAN ZH 4300 B	Fully-synthetic, high-performance central hydraulic fluid based on advanced synthesis technology.	
Antifreeze		
MAINTAIN FRICOFIN	Coolant additive based on monoethylene glycol. Free from nitrite, amine and phosphate.	
Greases		
RENOCAL FN 745/94	Low temperature optimised grease for lubrication of door locks and pedals.	
RENOLIT LZR 2 H	Contact grease for lubrication of battery poles, also used for pinion gears and engine gear rings.	
RENOLIT GL 1 RENOLIT RHF 1	Synthetic special grease for lubrication of sliding roof mechanism and guides.	
RENAX GLEITSPRAY	Spray grease for lubrication of door brakes in automobiles (RENOLIT GL 1 in spray cans).	

Edition 04/2008
